

Federal Elections 82

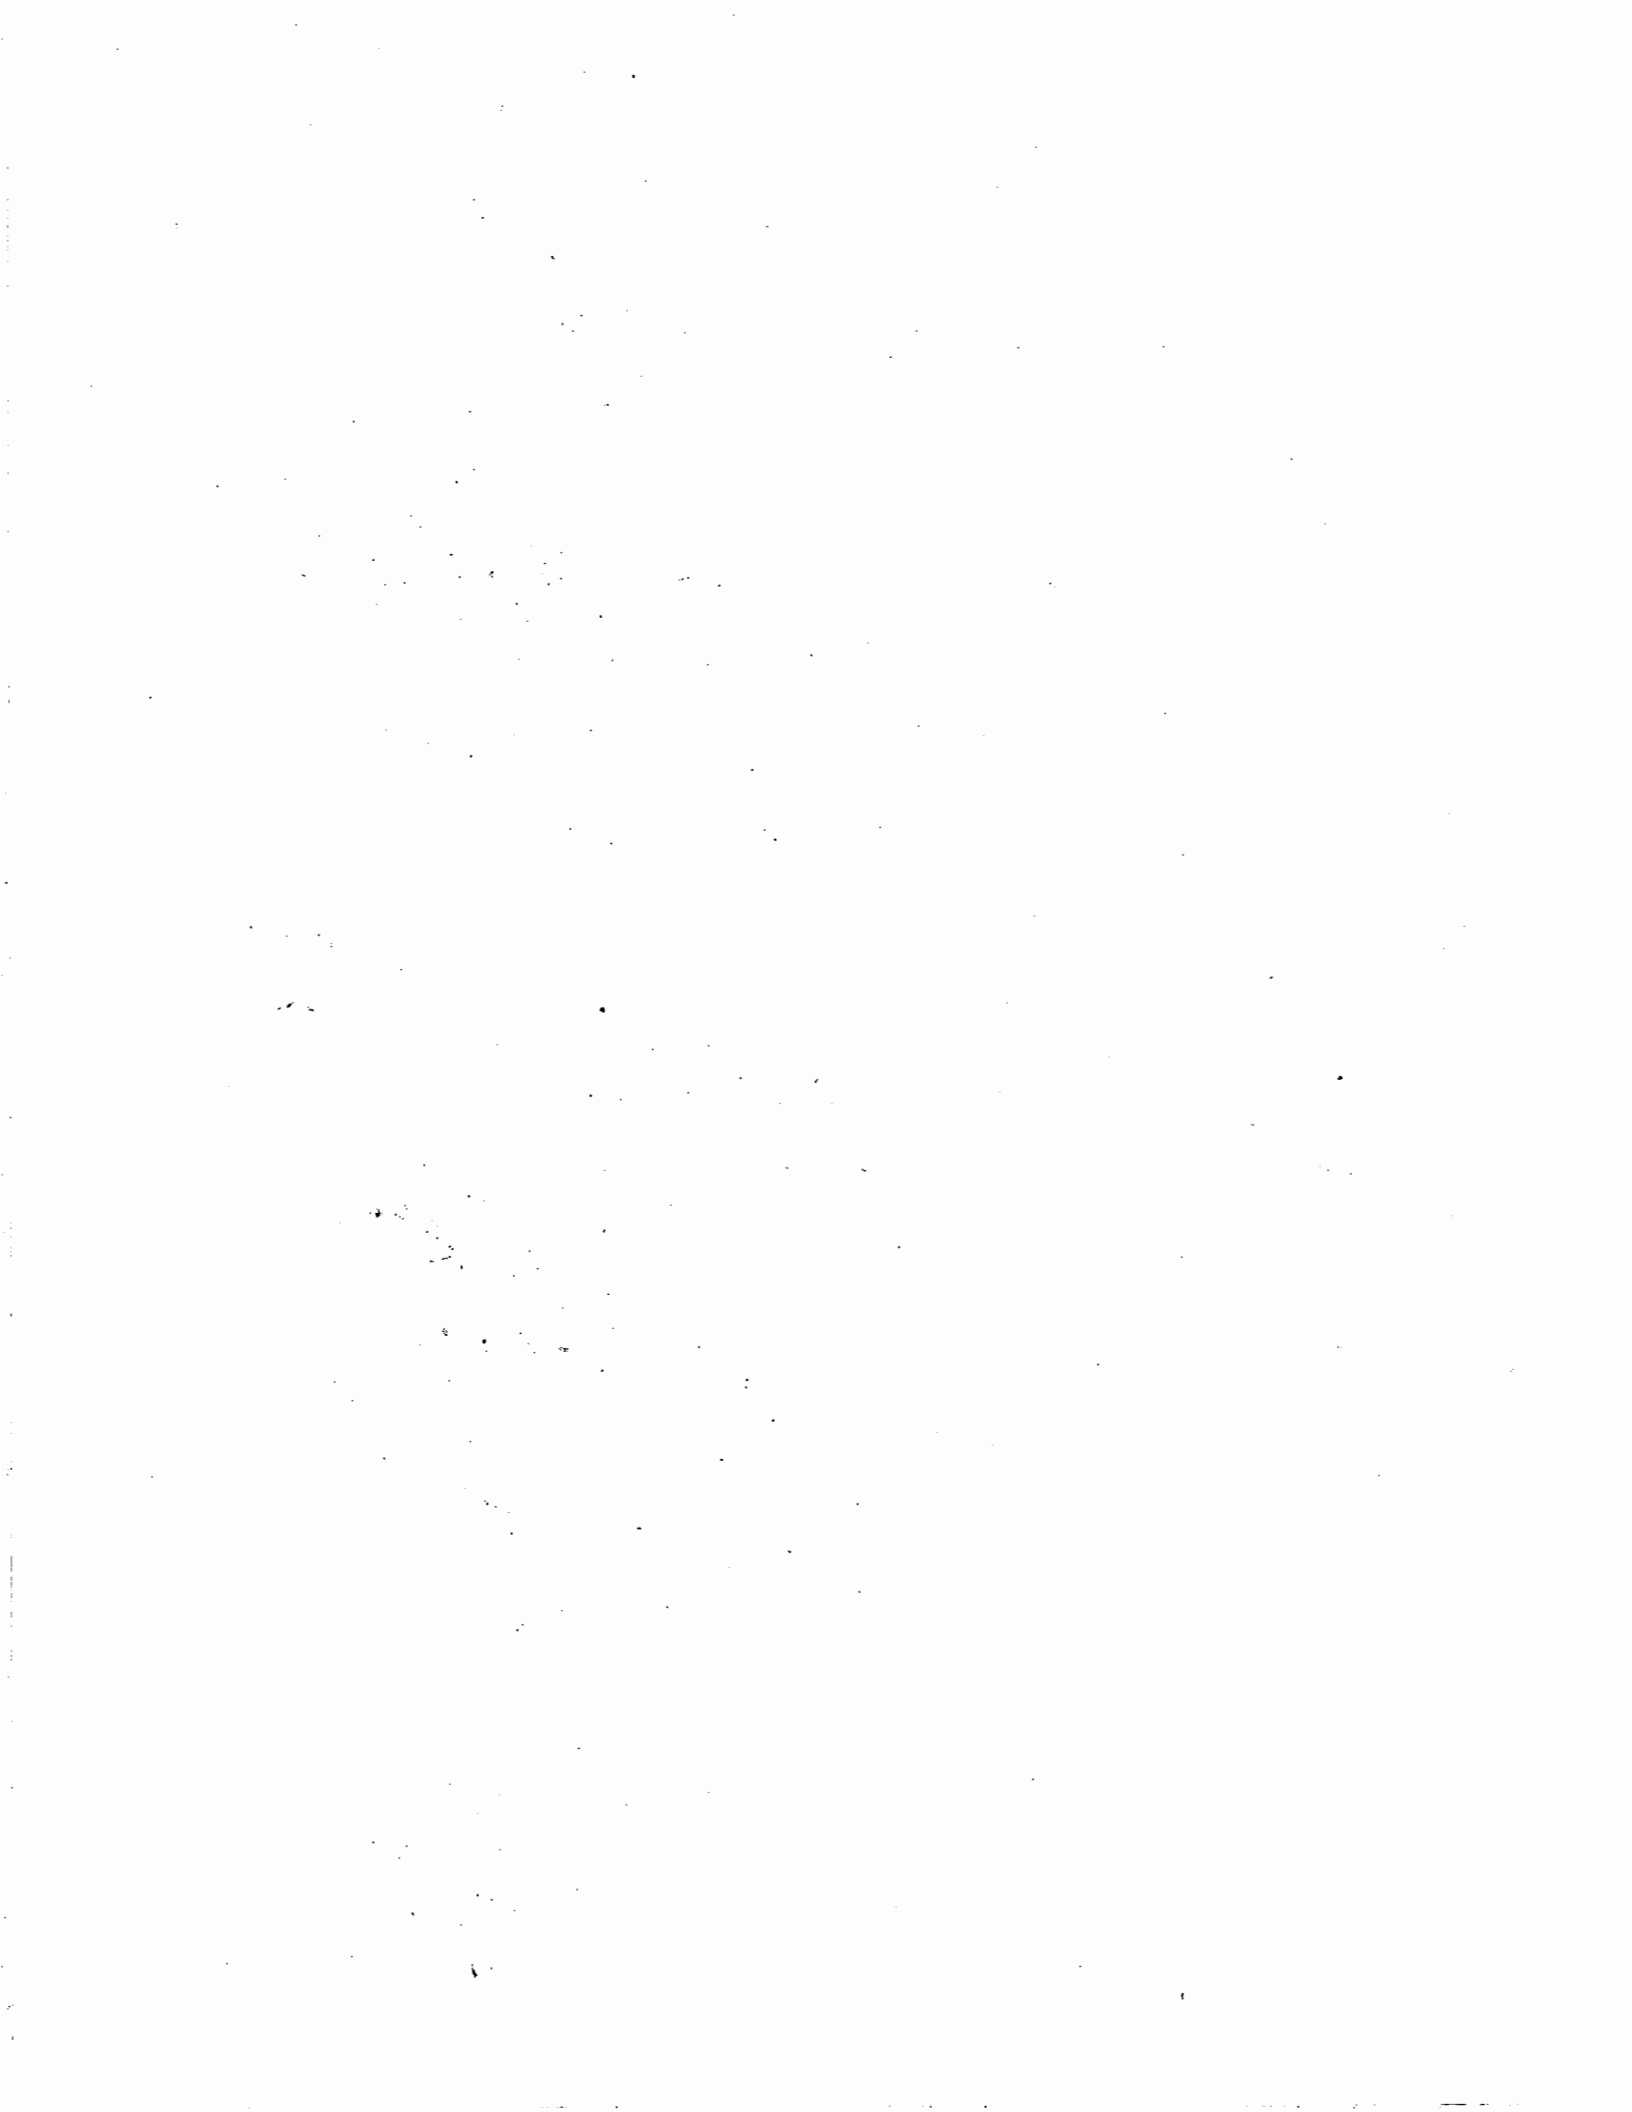

Election Results
for the U.S. Senate
and the U.S. House
of Representatives

**PREFACE TO OFFICIAL CONGRESSIONAL
ELECTION RESULTS -- 1982**

The following official results of U.S. Congressional and Senatorial elections held on November 2, 1982, have been prepared by the Information Division of the Federal Election Commission. The Commission undertook this project in order to respond to public inquiries it receives. At the same time, the Commission recognized a need to bring together in one place all of the Federal election results. The Commission hopes that this publication will be the first in a series that provides an accurate, historical record of U.S. House and Senate election results.

Data is based on official figures provided by State election officials. These officials have been sent copies of this document for review. If the vote results are modified in the future, as a result of litigation or discovery of error, the Information Division will supply errata supplements as necessary.

The Commission has prepared this document for internal use and for State election offices. Additional copies may be ordered from the Government Printing Office and the National Technical Information Service (NTIS). Call 202/523-4183 or, toll free, 800/424-9530 for ordering information.

LOUISIANA

NOTE: Section 511 of Title 18 of the Louisiana Revised Statutes of 1950, as amended, provides that a candidate who receives a majority of the votes cast for an office in a primary election is elected. This section also provides that a candidate who is unopposed in the primary is declared elected by the people and his name shall not appear on the ballot in either the primary or general election. W.J. "Billy" Tauzin of the Third Congressional District and Charles "Buddy" Roemer of the Fourth Congressional District were declared elected under this provision. We report here the official vote results of the September 11, 1982 primaries where the remaining six congressional district elections were decided by candidates achieving majority votes.
