Total Annual Burden: 30,812 hours.

Total Annual Cost: No cost.

Needs and Uses: The Commission is seeking Office of Management and Budget (OMB) approval for an extension of this information collection and will submit this information collection after this 60-day comment period.

The Commission's *Third Report and Order* in PS Docket No. 07–114 adopted a rule providing that new CMRS network providers meeting the definition of covered CMRS providers in Section 9.10 and deploying new stand-alone networks must meet the handset-based location accuracy standard in delivering emergency calls for Enhanced 911 service. The rule requires that new stand-alone CMRS providers must satisfy the handset-based location accuracy standard at either a county-based or Public Safety Answering Point (PSAP)-based geographic level. Additionally, in accordance with the pre-existing requirements for CMRS providers using handset-based location technologies, new stand-alone CMRS providers are permitted to exclude up to 15 percent of the counties or PSAP areas they serve due to heavy forestation that limits handset-based technology accuracy in those counties or areas but are required to file an initial list of the specific counties or portions of counties where they are utilizing their respective exclusions.

A. Updated Exclusion Reports. Under this information collection and pursuant to current rule section 9.10(h) new stand-alone CMRS providers and existing CMRS providers that have filed initial exclusion reports are required to file reports informing the Commission of any changes to their exclusion lists within thirty days of discovering such changes. The permitted exclusions properly but narrowly account for the known technical limitations of either the handset-based or network-based location accuracy technologies chosen by a CMRS provider, while ensuring that the public safety community and the public at large are sufficiently informed of these limitations.

B. Confidence and Uncertainty Data. Under this information collection and pursuant to current rule section 9.10(h), all CMRS providers and other entities responsible for transporting confidence and uncertainty data between the wireless carriers and PSAPs, including LECs, CLECs, owners of E911 networks, and emergency service providers (collectively, System Service Providers (SSPs)) must continue to provide confidence and uncertainty data of

wireless 911 calls to Public Safety Answering Points (PSAP) on a per call basis upon a PSAP's request. New stand-alone wireless carriers also incur this obligation. The transport of the confidence and uncertainty data is needed to ensure the delivery of accurate location information with E911 service.

AGENCY: Federal Election Commission.

ACTION: Notice of adjustments to expenditure limitations and lobbyist bundling disclosure threshold.

SUMMARY: As mandated by provisions of the Federal Election Campaign Act (“the Act”), the Federal Election Commission (“the Commission”) is adjusting certain expenditure limitations and the lobbyist bundling disclosure threshold set forth in the Act, to index the amounts for inflation. Additional details appear in the supplemental information that follows.

DATES: The new limitations apply beginning on January 1, 2024.

ADDRESSES: 1050 First Street NE, Washington, DC 20463.

FOR FURTHER INFORMATION CONTACT: Ms. Elizabeth S. Kurland, Information Division, (202) 694–1100 or (800) 424–9530, info@fec.gov.

SUPPLEMENTARY INFORMATION: Under the Federal Election Campaign Act, 52 U.S.C. 30101–45, coordinated party expenditure limits (52 U.S.C. 30116(d)(2)–(3)) and the disclosure threshold for contributions bundled by lobbyists (52 U.S.C. 30104(i)(3)(A)) are adjusted periodically to reflect changes in the consumer price index. *See* 52 U.S.C. 30104(i)(3)(B), 30116(c); 11 CFR 109.32(a)(2), (b)(3), 110.17(a), (f). The Commission is publishing this notice to announce the adjusted limits and disclosure threshold for 2024.

Coordinated Party Expenditure Limits for 2024

Under 52 U.S.C. 30116(c), the Commission must adjust the expenditure limitations established by 52 U.S.C. 30116(d) (the limits on

expenditures by national party committees, state party committees, or their subordinate committees in connection with the general election campaign of candidates for Federal office) annually to account for inflation. This expenditure limitation is increased by the percent difference between the price index, as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period (calendar year 1974). 52 U.S.C. 30116(c)(1)(B)(i), (2)(B)(i).

1. Expenditure Limitation for House of Representatives in States With More Than One Congressional District

Both the national and state party committees have an expenditure limitation for each general election held to fill a seat in the House of Representatives in states with more than one congressional district. *See* 52 U.S.C. 30116(d)(3)(B). This limitation also applies to the District of Columbia and territories that elect individuals to the office of Delegate or Resident Commissioner.¹ *Id.* The formula used to calculate the expenditure limitation in such states and territories multiplies the base figure of \$10,000 by the difference in the price index (6.17976), rounding to the nearest \$100. *See* 52 U.S.C. 30116(c)(1)(B), (d)(3)(B); 11 CFR 109.32(b), 110.17. Based upon this formula, the expenditure limitation for 2024 general elections for House candidates in these states, districts, and territories is \$61,800.

2. Expenditure Limitation for Senate and for House of Representatives in States With Only One Congressional District

Both the national and state party committees have an expenditure limitation for a general election held to fill a seat in the Senate or in the House of Representatives in states with only one congressional district. *See* 52 U.S.C. 30116(d)(3)(A). The formula used to calculate this expenditure limitation considers not only the price index but also the voting age population (“VAP”) of the state. *Id.* The VAP figures used to calculate the expenditure limitations were certified by the U.S. Census Bureau. The VAP of each state is also published annually in the **Federal Register** by the U.S. Department of Commerce. 11 CFR 110.18. The general election expenditure limitation is the

for Senate elections. The expenditure limitation for 2024 House elections in states with only one congressional district² is \$123,600.

² Currently, these states are: Alaska, Delaware, North Dakota, South Dakota, Vermont and Wyoming. See <http://www.house.gov/representatives/>.

³ This expenditure limit does not apply to the District of Columbia, Puerto Rico, American Samoa, Guam, the United States Virgin Islands, and the Northern Mariana Islands because those

jurisdictions do not elect Senators. See 52 U.S.C. 30116(d)(3)(A); 11 CFR 109.32(b)(2)(i).

3. *Expenditure Limitation for President*

The national party committees have an expenditure limitation for their general election nominee for President. 52 U.S.C. 30116(d)(2). The formula used to calculate the Presidential expenditure limitation considers not only the price index but also the total VAP of the United States. *Id.* The VAP figure used to calculate the expenditure limitation was certified by the U.S. Census Bureau. The VAP of the United States is also published annually in the **Federal Register** by the U.S. Department of

Commerce. 11 CFR 110.18. The formula used to calculate this expenditure limitation is \$0.02 multiplied by the total VAP of the United States (262,083,034), multiplied by the difference in the price index, 6.17976. See 52 U.S.C. 30116(c)(1)(B), (d)(2); 11 CFR 109.32(a)(2), 110.17. Amounts are rounded to the nearest \$100. 52 U.S.C. 30116(c)(1)(B)(iii); 11 CFR 109.32(a)(2), 110.17(c). Based upon this formula, the expenditure limitation for 2024 Presidential nominees is \$32,392,200.

Limitations on Contributions by Individuals, Non-Multicandidate Committees and Certain Political Party Committees Giving to U.S. Senate Candidates for the 2023–2024 Election Cycle

For the convenience of the readers, the Commission is also republishing the contribution limitations for individuals, non-multicandidate committees and for certain political party committees giving to U.S. Senate candidates and national party committees for the 2023–2024 election cycle:

Statutory provision	Statutory amount	2023–2024 limit
52 U.S.C. 30116(a)(1)(A)	\$2,000	\$3,300
52 U.S.C. 30116(a)(1)(B)	25,000	41,300
52 U.S.C. 30116(h)	35,000	57,800

Lobbyist Bundling Disclosure Threshold for 2024

The Act requires certain political committees to disclose contributions bundled by lobbyists/registrants and lobbyist/registrant political action committees once the contributions exceed a specified threshold amount. 52 U.S.C. 30104(i)(1), (i)(3)(A). The Commission must adjust this threshold amount annually to account for inflation. 52 U.S.C. 30104(i)(3)(B). The disclosure threshold is increased by multiplying the \$15,000 statutory disclosure threshold by 1.51143, the difference between the price index, as certified to the Commission by the Secretary of Labor, for the 12 months preceding the beginning of the calendar year and the price index for the base period (calendar year 2006). See 52 U.S.C. 30104(i)(3), 30116(c)(1)(B); 11 CFR 104.22(g). The resulting amount is rounded to the nearest multiple of \$100. 52 U.S.C. 30104(i)(3)(B), 30116(c)(1)(B)(iii); 11 CFR 104.22(g)(4). Based upon this formula (\$15,000 × 1.51143), the lobbyist bundling disclosure threshold for calendar year 2024 is \$22,700.

On behalf of the Commission.

Dated: January 23, 2024.

Sean J. Cooksey,

Chairman, Federal Election Commission.
