**STATEMENT OF REASONS OF
COMMISSIONER SEAN J. COOKSEY**

For substantially the same reasons articulated in my Statement of Reasons in MURs 7821, 7827, and 7868 (Twitter, Inc.), I voted to find no reason to believe Twitter violated campaign-finance law in this matter, but did not support the Commission's Factual & Legal Analysis.¹ I believe Twitter is a media entity, and therefore its decisions about the content and operation of its platform—regardless of political motivation—fall within the Commission's media exemption. I would resolve the matter on that basis alone.
